ADMISSION INSTRUCTION

1	After successful registration you will be redirected to a page where you will need to select the subject of your preference. Please see admission criteria for maximum allowed subjects.
2	All admissions are provisional. The verification of all documents according to the declaration in form submitted will be done only on the date of commencement of classes. Admission will be cancel if the document are found not in conformity with the declaration in the forms submitted.
3	Candidate have to submit the hard copy of the application form and the self attested copies of the relevant documents during verification at the college.
4	For admission related information visit the college website regularly.
5	If you have already registered with the college, you click on EXISTING APPLICANT (green Colour) button where you need to provide your application number and password to continue.
6	If your entered 10+2 records match the admission criteria of your subject selection, it will be added to your list and you can then continue to add more subjects up to the maximum allowed subjects. After adding all the subjects of your choice and uploading the documents you need to click on the Payment button to make necessary payment for application.
7	Modification is only allowed till you are not clicking on the Payment button. Once the Payment button is clicked no further modification is allowed although you can still login and view your information.
8	On successful application you will get a system generated Application Number and password which you have to mention for all future correspondences. With this Application Number and Password you can always login by clicking on Existing Applicant and will be able to browse and modify the information previously entered.
9	You need to register yourself first against the college by filling up the Application form.
10	Once you save the application you can always modify by logging in and clicking modify profile.
11	If course of studies is already selected and payment challan is generated you can not modify certain information that may effect your merit score. In such case you may apply as new applicant again.
12	Before taking admission you must complete all information available in the application form by logging in and clicking on modify profile.

I have read and understood all the information.
